

# SMARTer MANAGER

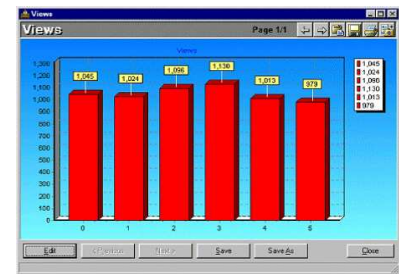

**Welcome** to your absolute answer to manufacturing management software; from your general ledger to your shop floor, We keep the ball rolling with Tools that build success.

## You're Our Customer

With customers in virtually every facet of manufacturing, we've established ourselves as one of the premiere suppliers of Job Control, Finite Scheduling, and Real-Time Data Collection software.

## With SMARTer Manager, it's Easy

SMARTer Manager is built around the philosophy that even the most powerful features and complex issues can be easy to master with a carefully and thoughtfully designed product. We sincerely believe you will find no finer system design or user interface on the market today, and that is why we proudly display it within the pages of this literature.

## Small Investment, Big Return

SMARTer Manager provides a low-cost, easy-to-implement business and manufacturing system, enabling manufacturers production and real-time visibility across your supply chain. We empower manufacturers to integrate from the front office all the way to the plant-floor. Explore the essential benefits – they'll lead you to greater market responsiveness, faster innovation, better customer service and greater market share.

## Our Team is On Your Team

We provide support, training and services to improve technology, automate the plant-floor and beat your competition to market. So take a few minutes to make yourself familiar with all we can do for you. Then, for more information, call us at 1.877.762.7766, or visit with us online at [www.SMARTerManager.com](http://www.SMARTerManager.com).

Examine how we open up a whole new world of possibilities for companies like yours; make-to-order manufacturing. Because SMARTer Manager is the complete, integrated suite of software, supply chain velocity and support services you need to:

- Reshape manufacturing operations and processes
- Strengthen plant-floor visibility
- Empower your employees
- Influence buying decisions and purchases
- Uncover new markets and new customers
